

## **IFA 75<sup>th</sup> Annual Congress Cancun, Mexico**

### **Seminar B**

#### **The use of tax systems to execute fiscal policy (Companion seminar to Subject 1)**

**Chair:** Armando Lara Yaffar (Mexico)

#### **Short description**

The seminar has the purpose to discuss the tax policy responses that have emerged after the post-pandemic era, as well as the geopolitical events that have affected economies, for which the creation of windfall taxes, the ways in which green energies have been supported, the responses against tax evasion and the challenges of tax administrations to be able to correctly implement these policies will be discussed, among other topics.
